EMPLOYER MEMBERSHIP

Become an NSAR member and be part of an active respected community of like-minded people sharing specialist knowledge and expertise in all aspects of rail.

ABOUT US

NSAR is a membership organisation and expert skills and workforce consultancy, established by the rail industry in 2010. We work with government, industry bodies and businesses on a range of services and projects within rail and other sectors. Our specialist teams provide insights, quality assurance, workforce and apprenticeship services to help businesses develop and sustain a highly skilled workforce.

WHY JOIN NSAR?

Members benefit from insight and analysis, strategic support and advice – backed up by a regular communications programme. Joining NSAR also gives you access to a network of organisations exchanging professional support and expertise.

WHAT DO MEMBERS GET?

- Insights and knowledge sharing: Gain access to exclusive resources, such as policy briefings and apprenticeship advice.

- Engagement and networking opportunities: Connect with industry experts, thought leaders and fellow members through our regular networking events, conferences and online forums.

- Labour market intelligence: Receive regular reports and insights on the latest rail industry labour market intelligence to inform your business planning.

- Contribute to our industry lobbying efforts on skills: Opportunities to share your views and shape NSAR's interaction with government and policymakers.

- Your company's profile on the NSAR member directory, and the use of the NSAR logo.
